## HOOKED ON FISHING NOT ON DRUGS 2010

The annual fishing rodeo turned out to be another huge success. Even though the high winds were fighting us every step of the way, we caught over 50 fish.

Our fishers with the most fish in their age group were Wesley Clinton with 5 fish, Jahira Daniels with 5, Kayin Lanier with 2, and Zalea Rollins with 4 fish.

Congratulations!

We'd like to extend a huge thank you to Mr. Rick Gladhill who makes this possible every year for the kids. Also thank you to all the staff at the HACF who came out and helped. See you next year!

## Trespass Log

The purpose of the trespass policy is to ensure that all residents can live in a safe and secure neighborhood. The policy’s goal is to help alleviate the negative affects that drug activity can have in our communities. The Housing Authority does its part by maintaining a trespass log, in turn we ask that residents assume responsibility that their guests do not engage in drug-related or other activity that threatens the health, safety, or right to peaceful enjoyment of their neighbors. Those who are currently on the trespass log have a right appeal to have their name removed from the log.

Each month The Chronicle will be keeping residents informed of our effort to keep our neighborhoods safe by running a list of those currently on the trespass log. If an excluded person is seen visiting a residents apartment, that resident will receive only **1 warning letter**. If the excluded person is seen again on the property visiting that residents apartment it will be grounds for lease termination. In addition if you see any of the individuals listed on the trespass log on the community property, please contact the police department. Please do your part to keep our neighborhoods safe.

The following information lists the trespasser’s name, the date they were served and the communities they are prohibited from visiting.

## IMAGINE ME!

*Imagine Me wants to thank all of the Women that came out on May 3, 2010. We are especially grateful for our Guest Speaker, Lena Thompson who came out and shared her story with us. As she shared her story about being a 11 year Breast Cancer Survivor, she talked to us about the different stages of cancer and how we should make sure that we keep our appointments and take care of ourselves. Lena shared with us the effects that the treatments had on her along with what she and her family went through being a single mother. Through it all "She never lost her Hope, she never lost her Joy, she never lost her Faith, but most of all "She never lost her Praise". Lena thank you for using your gift in song and sharing your story.*

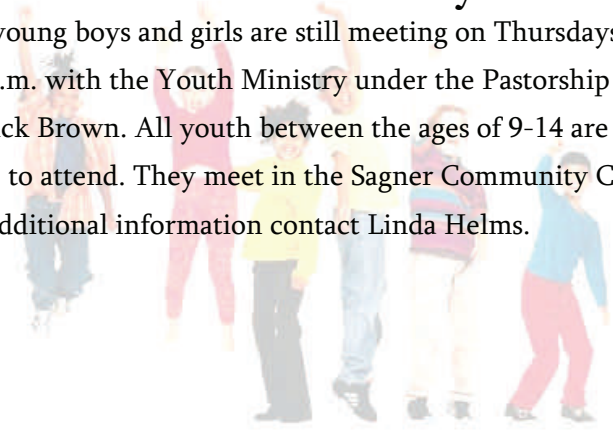

*Join us on June 7, 2010 at 7:00 p.m. with special guest speaker, The Rev. Derrick Brown of St. Paul AME Church.*

*As he comes and shares about Fathers. I am inviting all that have Sons to come out and hear him and be blessed!*

*For additional information contact Linda Helms at 301.696.1874*

### Carver Residents:

Please use your newly installed bathroom exhaust fans when using the shower. This helps to keep humidity and steam off the walls to control mildew common with moist bathrooms.

### All Residents:

The A/C season is starting so to conserve energy please keep the thermostat set between 74-76 degrees. Do not set the thermostat below 68 degrees, doing so will damage the system.

Please remember litter in the yard area and around the trash cans is the responsibility of the resident.
